24th February, 2022

EXTERNAL JOB ADVERT – 01/2021/22

Uganda Heart Institute was established by the Uganda Heart Institute Act 2016 as an Autonomous Government Entity to undertake and coordinate the prevention and treatment of Cardiovascular disease in Uganda.

The Government of Uganda requested MS. Saudi Fund for Development (SFD), MS. OPEC Fund and Arab Bank for Economic Development in Africa (BADEA) to finance construction and equipping of the 250 Beds – State of Art Cardiac Facility at Naguru i.e. Uganda Heart Institute Project. The proposed project is located in Naguru – Nakawa Division, Kampala. This project entails construction and equipping of Uganda Heart Institute, consisting of a Clinical Block, Research block, Laboratories block, Staff residence and maintenance block.

In line with the above project, applications are hereby invited from suitably qualified Ugandans to fill the post below that exists at Uganda Heart Institute.

Eligible persons should address their applications (supported by a curriculum vita, certified copies of academic and relevant certificates) to the Executive Director, Uganda Heart Institute, P.O. Box 37392, Kampala. Evidence of experience should be supported by copies of letters of current and previous employment contracts, consultancies and assignments. Applications can also be hand delivered to Uganda Heart Institute Headquarters, Mulago, Kampala - Uganda.

Closing date will be 14th March, 2022.

You can also download the same advertisement from the Institute's website: www.uhi.go.ug
